Corrigendum to the Report: FinalReport1

Basic Aerosol Generation and Alteration Investigation including Particle Characterization and Particle Size Distribution Measurements

Issued at

Dresden, January 20th, 2022

by

Prof. Dr.-Ing. habil.
Head of the Research Group

assistant:

phone:

fax:

e-mail:

On page 20 twice the test item AEROSIL® R 812 was twice incorrectly typed as AEROSIL® R821 and on page 37 the test item AEROSIL® R 812 was incorrectly named as AEROSIL® R 518.

The three inconstancies have been corrected and the corrected pages attached to this corrigendum.
